

Dear Friends,

On March 24th, Waldorf High School of Massachusetts Bay will be hosting a Dinner Auction, “Spring Ahead,” which will include a silent auction as well as a live one. We would love to have your help.

Waldorf High School, which graduated our twelfth class last June, has been located in Belmont eight years. We have students coming from twenty-seven communities in the Boston area. Our mission is to provide a Waldorf secondary education both to students who are continuing their Waldorf education and to students finding Waldorf education for the first time. As such, our goal is to awaken and foster in our students clear, informed, and heartfelt thinking; creativity and inquiry; compassion for and interest in the world and all humanity; and a well-founded belief in their capacities and the will to use them!

In addition to raising money for our school’s program and financial aid, a goal of the auction is to bring our community together. The Auction is an opportunity for your business to be recognized in our school community. For making a contribution, your business will be listed in our auction catalogue, on our website and in our annual report. If you are able to contribute to our Auction, please fill out the enclosed form and return it to the school.

Thank you so much for your support. It really does make a difference to youth who benefit from our small program and unique approach to education.

Sincerely,

Virginia Buhr
Director of Development
